GLOBAL AFFAIRS

Trump Vs Zelensky, From the Screen to the Streets, Gen Z protests from Paris to Dehli

In India, the Cockroach movement felt the crushing boot of the state this week. Thousands of Gen Z protesters were rounded up and detained in sports stadiums and community halls turned into makeshift detention centres, while the movement's founder, Abhijeet Dipke, was arrested on arrival. A mass demonstration over alleged voter fraud was effectively crushed before it could begin.And Abdijeet has been detained again todayNarendra Modi's government says the measures were necessary to protect civilians in the capital. But he now faces accusations of choosing repression over democracy, with the UN Human Rights Office urging authorities to respect the right to peaceful assembly.

Pakistan Targets $8 Billion in Mineral Exports

Pakistan aims to increase its mineral exports from $3 billion to $8 billion by improving policies, infrastructure and investment in the mining sector, as the country seeks to expand its role in global critical mineral supply chains. According to available estimates, 92 minerals have been discovered across Pakistan, of which 52 are currently being extracted [...] The post Pakistan Targets $8 Billion in Mineral Exports appeared first on TechJuice.
