Vivo V80 smartphone goes global with impressive specifications and updates

"Provides mobile consumers worldwide with a new high-end smartphone option featuring extended battery life and long-term software support."

Vivo announced the global availability of its V80 smartphone following its launch in India. The device features a 6.59-inch AMOLED display with a 144Hz refresh rate, a 50MP main camera, a 50MP periscope telephoto lens, and a 7,200mAh battery supporting 90W wired charging. Powered by the Snapdragon 7 Gen 4 chipset, it runs Android 17 and promises four major Android updates.

PAKISTAN CRICKET

Pakistan aim to build batting depth ahead of 2027 World Cup: Coach

Pakistan batting coach Michael Smith has said the team will focus on building batting depth and adapting to different playing conditions as it prepares for the 2027 ICC Men's Cricket World Cup in South Africa, Zimbabwe and Namibia. With a busy 12-month schedule of ODI cricket ahead, Pakistan aim to develop options across batting positions rather than rely on a handful of key players, Smith told PCB Digital.
