Shooter kills four at Oregon elementary school before being shot dead by community member

A 16-year-old shooter opened fire on Thursday at an elementary school in Bend, Oregon, killing four people, including three children, before being killed by an armed member of the community who had pursued the assailant into the school, police said. The shooter entered Silver Rail Elementary School by firing through locked doors, police said, without offering any details beyond the suspect's age. The dead were children aged 5, 8 and 11 and one teacher. In addition, a 7-year-old student and a 54-year-old teacher were taken to hospital with critical injuries, Bend Police Chief Mike Krantz told a press conference. Oregon Governor Tina Kotek, appearing at the same briefing, thanked the community member who "heroically intervened to stop further loss of...

Analogue re-releases SNES and Genesis consoles with modern upgrades

"Retro gaming enthusiasts get a modern hardware option to play classic 16-bit cartridges on current displays with improved connectivity."

Analogue has announced new versions of its Super Nt and Mega Sg retro gaming consoles, featuring a reworked industrial design and built-in wireless connectivity for controllers and accessories. Named the Super Nt Plus and Mega Sg Plus, the devices use an FPGA processor to accurately replicate 16-bit Nintendo and Sega consoles while adding a USB-C port.

GADGETS & DEVICES

OnePlus Ace 7 and Ace 7 Pro could both feature 200MP cameras

According to a tipster, both the OnePlus Ace 7 and OnePlus Ace 7 Pro smartphones will feature 200MP main rear cameras. Previous leaks indicated a camera upgrade, but it was uncertain if the 200MP sensor would be exclusive to the Pro version, marking an increase from the 50MP camera on the OnePlus Ace 6.

MIDDLE EAST

US journalist injured during Israeli settler attack on West Bank olive harvest

About 80 Israeli settlers set fire to olive trees and threw stones at Palestinians in a West Bank village Friday, injuring at least two people, including a US photojournalist with The Washington Post. The coordinated attack came as violence by settlers is on the rise during the olive harvest in the occupied Palestinian territory.
